WORK EXPERIENCE

Vani Ecommerce August 2022 - Present

Senior Graphic Designer - Brand & E-commerce Visual | AI-Powered Workflow

Full-time creative lead for cross-border US/EU e-commerce brands and omnichannel marketing campaigns.
Ho Chi Minh City, Vietnam

- Conceptualized and executed 3,500+ commercial products and multi-channel Brand & E-commerce Visuals (Key Visuals, 2D/3D merchandise, posters, standees, packaging, social media ads, and 2D/3D mockups) aligned with strict brand guidelines and client briefs.
- Spearheaded creative direction and hand-drawn Wacom Tablet illustration for the Q4/2025 Anime Collection (50+ original SKUs), generating $20,000+ USD in quarterly revenue and lifting store conversion rate to 3.2% (+45% vs. store average).
- Pioneered an AI-First creative workflow integrating Adobe Firefly, Photoshop Generative Fill, FLUX.1, Banana Pro, and Topview AI with manual Wacom refinement, accelerating moodboard and Key Visual ideation by 3x while ensuring 100% copyright compliance.
- Engineered custom Photoshop Actions (.atn) and JavaScript (ExtendScript .jsx) automation for batch 2D/3D Displacement Map mockup compositing and 300 DPI print-file export, reducing production time by ~40% (from 4 hours to 35 minutes per 50-SKU batch) and eliminating 99% of manual file errors.
- Collaborated closely with marketing teams on Product Photography & Videography shoots (lighting, styling, layout direction, high-end retouching) and produced engaging short-form video ads and motion GIFs using CapCut Pro and Topview AI.
- Controlled end-to-end CMYK/RGB 300 DPI pre-press color separation and print quality across POSM, packaging, and garment printing, maintaining a print-defect return rate below 0.4%.
